

Increase Your Route Efficiencies by Printing on the Road, in the Truck, or at Your Customer's Location

Whether you're refreshing your fleet's mobile technology infrastructure or you're just making your initial technology investment, Zebra's wireless mobile printer solutions can quickly increase the accuracy and efficiency of your route operations. Zebra can provide you with a complete mobile printing solution, including printers, media, batteries, mobile accessories, and even the ZebraCare™ extended warranty and service plan.

Print Anywhere with Zebra®

For more efficient route operations

For business-to-business and business-to-consumer route operations, saving time means saving money. With wireless mobile printing solutions from Zebra, your route representatives have a powerful tool that enables them to work faster, cover more territory, see more customers, manage sales and delivery information with greater accuracy, and achieve higher levels of customer satisfaction.

Increase efficiency:

- Reduce information errors and duplicate data entry that comes with handwritten invoices
- Saving time means more customers can be served in a day
- Connect to customer's inventory system via integrated DEX or 802.11x interfaces
- Increase the amount of time route representatives can spend selling other goods/services to customers
- End-of-day settlement reports immediately available

Reduce costs and raise profits:

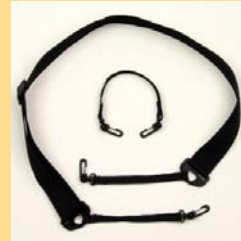

- Save money by eliminating manual data entry
- Reduce paper and form expenses
- Cut time out of the billing cycle—credit card payments can be securely accepted at point of delivery
- Print a return receipt on-site

Improve customer service:

- Printed invoices look professional
- Issues with the order may be handled at delivery—save money and time on customer service calls
- Print service reminders, customer surveys, special offers and other items to help strengthen your brand image and grow your business

Keep Moving with Zebra

Zebra's mobile printers are designed to move with you. The ergonomic design makes them comfortable to carry or wear with a shoulder strap or belt clip.

Various carrying cases and vehicle mounts are available to keep the printer secure during travel.

Zebra's charging cradles and quad chargers power up your fleet. On the road? Use the optional vehicle charger.

Go wireless! All of Zebra's mobile printers offer secure wireless printing with support for 802.11b/g and Bluetooth® technology. This allows you to print wherever your delivery calls might take you.

Thermal printing vs. impact dot-matrix printing

- Crisp text, graphics, and bar codes
- Printing will not smudge or run
- No ribbon, no ink means lower supply costs
- Fast printing of multiple copies—no more multi-part forms

Zebra MZ™ Series

The MZ 220™ and MZ 320™ are small, easy-to-use, entry-level printers that print crisp, clear text and graphics on receipts. These tiny printers work in the palm of a hand or can be worn comfortably all day with a belt clip or shoulder strap.

Zebra RW™ Series

The RW 220™ and RW 420™ are Zebra's Road Warriors, designed to withstand high-duty travel and use—even in hot, cold, and wet conditions. These rugged printers feature a modular design that makes them ideal for adding card readers, wireless options, and mobility accessories such as vehicle mounts.

Mobile Supplies

Zebra provides in-stock and custom media specially designed and tested to work with Zebra printers for optimum quality. Paper with preprinted custom logos, watermarks, and UV-, water-, and heat-resistant coatings are also available.

Recommended Media

Z-Select™ 4000D Receipt

Premium, bright white, ultra smooth facstock specially coated to provide optimal image quality. Ideal for applications where print quality is important.

Z-Perform 1000D Receipt

Bright white, smooth paper facstock that provides optimal balance between performance and price.

Batteries

Zebra backup and replacement batteries ensure your Zebra mobile printer always has the power it needs. Zebra batteries offer high power-to-volume and power-to-weight features.

And with the ZebraCare Annual Battery Refresh Service, you can have new Zebra batteries automatically sent to you annually. This service not only keeps your mobile printers working in optimal condition, but also extends the standard limited battery warranty from three months to one year.

ZebraCare™ Extended Warranty and Maintenance Program

These competitively priced plans offer a cost-effective means of planning and budgeting your annual maintenance needs. ZebraCare ensures the top-notch product you've purchased is serviced with utmost quality and care. For more information, contact your authorized reseller or call Zebra at +1 847 913 2259.
