LONGSHINE™
Your vision. Our passion.

VisionPOS
Your vision. Our passion.

Fanless zero bezel 15" POS Terminal

Powerful . Quality . Ultra Slim

LONGSHINE's VisionPOS was designed for applications which require high performance and installation feasibilities. Through it's high degree of adjustable operation angles and variable shapes, it adapts to maximal different installation environments.

Your total cost of ownership will also be significantly reduced through competitive hardware costs, improved efficiencies and minimal administration efforts. Finally, high product quality ensures a long lifecycle.

Maximise the usage, minimize the cost
Platforms Quad Core covers all needs
■ Flexibility of power
