

ProLite LH6564S - a 65" Full HD professional large format display

Incorporating AMVA3 panel technology the LH6564S guarantees great viewing from all angles, high brightness and perfect colour clarity. It features an ambient light sensor delivering exceptional performance with the added benefit of saving on power. Features include PIP and PBP perfect for Video Conferencing or handing multi-input content in many environments. Perfect for true impact in Digital Signage.

AMVA3

AMVA3 technology offers higher contrast, darker blacks and much better viewing angles than standard TN technology. The screen will look good no matter what angle you look at it.

PIP

PIP (Picture in Picture) function allows you to watch images coming from two different sources at the same time.
