

HR3290 Marlin

Corded Handheld Scanner

Features

◆ Efficient and affordable.

Do not compromise power and efficiency for low cost. This versatile handheld scanner provides excellent value for money, scanning both 1D and 2D barcodes effortlessly.

◆ Durable construction.

The HR3290 Marlin was created with use in harsh and demanding environments in mind. With a sealing of IP54, the device is protected against dust and moisture and a drop resistance of 1.2m means it can withstand everyday drops and bumps.

◆ Excellent ergonomics.

A modern design makes sure this scanner looks great on any countertop. The device is created to fit comfortably in the hand, making all day scanning effortless.

◆ Scanning from screen.

On-screen barcodes are no match for the HR3290 Marlin. The device delivers an unmatched reading performance for various online to offline (O2O) applications. Including situations in which the screen is covered with protective film or set to its lowest brightness level.

◆ HR32 handheld scanner stand available.

Application Scenarios

Point of Sale / Retail, Warehouse, Inventory management, express delivery services, food traceability, electricity meter reading, inventory counting and healthcare.

HR3290 Marlin

Corded Handheld Scanner

Performance	Image Sensor		752×480 CMOS
